VBC Spotlight Overview

As many healthcare organizations face ongoing and severe COVID-19-related clinical, operational and financial challenges, exceptional leaders are rising to the occasion to successfully navigate a rapidly-changing landscape. Our latest VBC Spotlights Webinar will feature Phil Watts, General Counsel at **OneOncology** and Babak Azizzadeh, M.D., F.A.C.S., founding physician of **La Peer Health Systems**, both of whom will share strategies and perspectives on the impact of, as well the opportunities being created by, the COVID-19 crisis. This complimentary webinar will also include a panel of leading healthcare experts who will provide insights on COVID-19's implications and be available to answer your questions.

OneOncology

OneOncology is a partnership of independent community oncology practices committed to driving the future of cancer care delivery through a patient-centric, physician-driven, and technology-powered model to help improve the lives of everyone living with cancer. Working together with world class oncologists, OneOncology looks to drive the change that community cancer needs through continual learning, creative and smart evolution, and a collective desire to positively impact the lives of every person touched by cancer. OneOncology was launched in 2018 in partnership with Flatiron Health, with \$200 million in funding from private equity firm General Atlantic. www.oneoncology.com

La Peer Health Systems

La Peer is a multi-specialty ambulatory surgery center (ASC) leading the industry-wide shift toward outpatient surgical care. By partnering with payers and committing to a Quadruple Aim management philosophy, the Company has been able to materially reduce total cost of care while improving patient outcomes. La Peer has over 50 elite surgeons who operate across 16 medical specialties, completing 7,500 surgical cases in Southern California annually. Founded in 2004, La Peer and its renowned surgeons have been featured in national media such as *The New York Times*, *CNN* and *The Oprah Winfrey Show*, and recognized by Becker's as a "Top Place to Work." www.lapeerhealth.com
