Our capital markets lawyers practice from all eight major legal markets in California, as well as New York, Washington, D.C., Europe and Asia.

To be effective participants in the capital markets, our attorneys are deeply embedded in the communities where they practice and the industries where they focus, with the bench strength, regulatory depth and geographic scope of a global platform.

Our lawyers participate in every stage of capital formation, from seed financing, to growth equity capital, to hybrid and mezzanine financings, to the public markets, and from the public markets to leveraged finance and private equity.

With the benefit of deep regulatory expertise, industry knowledge, intimate familiarity with our clients and their constituencies, we help our clients rapidly execute opportunities when the market windows are open, assess and mitigate risks and maximize returns.

We offer practical, commercial and creative solutions for large-cap, mid-cap and small cap companies navigating the public markets.

Our lawyers have been recognized by leading industry guides for their expertise in both equity and debt capital markets transactions.
