Danielle Moore is an associate in the Corporate Practice Group and a member of the Energy, Infrastructure and Project Finance Team in the firm's San Diego (Del Mar) office.

Areas of Practice

Danielle's practice focuses on renewable energy project finance with an emphasis on tax equity financing of wind and solar facilities. She represents developers, investors and lenders in connection with the development and financing of utility-scale and distributed generation energy projects. In addition, Danielle advises public and private companies through all stages of growth and in transactions that include mergers and acquisitions, securities offerings, joint ventures and debt and equity financings. She represents clients in the renewable energy, cannabis, technology, life sciences, hospitality, entertainment, utilities and manufacturing industries, among others.

Danielle also represents publicly-held companies with their reporting obligations under the Securities Exchange Act of 1934 and with NASDAQ, NYSE and other exchange listing and compliance matters, including those involving FINRA. She advises clients on business goals such as business entity formation and general corporate law matters.
