Erinn Contreras is a partner in the Business Trial Practice Group in the firm's San Francisco office and leader of the firm's Multifamily Housing Team and *Chambers*-ranked Construction Team. She was named by the *Daily Journal* as one of 2021's "Top 40 Under 40" lawyers in California.

### Areas of Practice

Erinn is a seasoned construction and real estate attorney who primarily represents owners, developers and investors in all stages of construction projects. She negotiates and drafts a variety of construction contracts, including design-build contracts, EPC contracts, professional/consultant agreements and modified AIA contracts. Erinn regularly counsels clients on issues that arise during the course of construction and provides strategic business advice to minimize risks.

Erinn also has extensive experience litigating construction-related claims, including construction defect, delay, cost overrun, mechanic's lien, quiet title and products liability claims, as well as a variety of real estate disputes, including failed real estate transactions, lease disputes, misrepresentation, non-disclosure and encroachment issues. She works collaboratively with clients, consultants, expert witnesses and opposing parties to resolve disputes economically and efficiently. When early resolution is not possible, she vigorously litigates on behalf of her clients.

### Honors

Fellow, Construction Lawyers Society of America

Top 40 Under 40, *Daily Journal*, 2021

Northern California Rising Star, *Super Lawyers*, 2013-2021

Recommended Attorney - Construction, *Legal 500*, 2020-2021

### Experience

- Representing Essex Property Trust, a \$19 Billion multifamily REIT, in a wide array of matters including negotiating and drafting construction contracts and litigating construction defect disputes and claims for additional compensation.
- Representing an affordable housing developer in pre-litigation claims involving defective design and construction of a parking garage, and securing a favorable settlement that fully funded the repairs, all lost rent and rent concessions, attorneys' fees, expert fees and costs.

- Representing a large data center REIT on a wide variety of matters, including litigation and disputes related to construction and product defects, design issues, real estate, and vendor and customer agreements.
- Representing an innovative data center company in a wide variety of matters, including negotiating and drafting construction and design agreements and providing advice and counseling on construction-related issues.
- Representing a real estate investment company as tenant in litigation with its landlord regarding constructive eviction and failure to maintain and repair the leased premises.
- Representing a Los Angeles-based real estate development company in a variety of construction-related matters, including successfully opposing a temporary restraining order and preliminary injunction filed by a neighboring property owner seeking to enjoin construction of an apartment project in North Hollywood.
- Representing a Fortune 50 company as tenant in litigation brought by its landlord involving construction of tenant improvements and responsibility for payment of same, and securing a favorable settlement prior to trial.
- Representing a San Francisco-based real estate development and investment firm in negotiating and drafting design, construction and consultant agreements, advising on issues that arise during the course of construction and in litigation and arbitration involving delays, cost overruns, liquidated damages and mechanic's lien claims.
- Representing an affordable housing developer and mixed-use developer in drafting and negotiating the design and construction contracts for their joint development of the Los Angeles County-sponsored Vermont Manchester Transit Priority Project, a mixed-use development providing 180 units of affordable housing, grocery and retail stores, a SEED school (to be constructed by others), a transit plaza, a Metro training facility and critical infrastructure projects,.
- Representing a premier San Francisco-based real estate development company holding more than 11 million square feet of office space in Silicon Valley by securing a full and complete settlement and release in a multi-million dollar lawsuit, in which neither the company nor its insurers paid a penny.
- Representing an owner of large, multi-family projects in construction defect cases against the developer, general contractor and subcontractors, successfully achieving global settlements with all parties and their insurance carriers.
- Obtaining a substantial judgment on behalf of a state run pension fund in a construction defect trial against a roofing subcontractor.
- Representing real estate buyers and sellers in misrepresentation and failure to disclose litigation.
- Representing numerous homeowners of multi-million dollar homes in construction defect litigation.
- Obtaining a judgment on behalf of a property owner in an action against a tenant.
- Procuring a fully-favorable verdict on behalf of a Fortune 500 company accused of discrimination following a one-week arbitration.
