John M. Tilton is an associate in the Healthcare Practice Group in the firm's Century City office.

### Areas of Practice

John helps clients navigate the highly regulated waters of federal and state healthcare reimbursement, with an emphasis on fraud and abuse compliance. John is experienced in counseling healthcare providers and payers on the complexities of managed care arrangements and value-based reimbursement, including all facets of the Medicare Advantage Program, the CMS Direct Contracting Model, Medicaid Managed Care, and California's Knox-Keene Act.
