Marc Chatenay-Lapointe is an associate in the Intellectual Property Practice Group in the firm's San Diego (Del Mar) office.

Areas of Practice

Marc's practice focuses on assisting in the preparation of patent applications in the life sciences sector.

Prior to attending New York University School of Law, he earned his Ph.D. in Genetics from Yale University and his B.S. in Microbiology from University of Rhode Island. His doctoral research investigated the signal transduction pathways that govern mitochondrial metabolism and chronological aging.
