

Employer's Guide To Workplace Security And Violence Prevention - 4th Edition

12.2002

This manual provides a practical and useful review of the laws in the field of workplace security and violence prevention, the obligations of employers, and the concerns that every workplace now faces. It addresses CAL-OSHA rules, applicant screening techniques, new rules and forms for TRO's, the workplace violence safety act, high-risk occupations, special health-care guidelines, mandatory changes to IIP plans, violence prevention strategies, sample forms and policies, a sample IIP program, ADA issues, negligent hiring and retention, confidentiality concerns, statistical insights, complaint procedures, and duty to warn.
