

Anti-Corruption, Export Controls & Sanctions

10th ACES Compliance Summit - Washington, DC

04.18.2017

Event Sponsor: Momentum Events

Whether you specialize in anti-corruption, export controls and international trade, sanctions or all three...

The ACES Compliance Summit offers targeted content in each of these areas in addition to advanced, plenary sessions addressing core global trade compliance challenges. Gain unparalleled access to world-class organizations and subject matter experts as they share cutting-edge tools and top-level strategies designed to meet the unique needs of the international trade community.

Uniquely formatted to address the convergence of global regulations spanning these core areas, attendees of this specially designed 3-in-1 event will benefit from the ability to customize their conference experience by building a two-day program that will best fit your domestic and international compliance needs.

Join Sheppard Mullin partner Scott Maberry as he moderates the spotlight discussion, "Global Regulatory Initiatives Impacting on International Trade Compliance across the Globe."
