

Population Health 360 Conference

Ritz Carlton New Orleans
09.18.2017
Event Sponsor: Cope Health Solutions

Keynote Panel: Impact of the New Administration on Health Policy

Moderator:

Cindy Ehnes, Executive Vice President, COPE Health Solutions

Speakers:

- Eric Klein, Partner and National Healthcare Team Leader, Sheppard Mullin
- Duane Dauner, President and Chief Executive Officer, California Hospital Association
- Ram Raju, Senior Vice President, Community Health Investment Officer, Northwell Health
- Thomas Suehs, Principal, Texas Star Alliance

Objectives:

- Evaluate the impact of ACA, MACRA, and Medicaid waivers on health care delivery, financial sustainability and the concept of population health
- Forecast the anticipated impact of legislation under the new administration on health reform and Medicaid waivers, including the shift of financial risk from payors to providers and value-based payment overall
- Review challenges to implementation and capture lessons learned from leaders driving innovation
