

IAHA Annual Health Law Symposium

Chicago, IL

11.02.2017

Event Sponsor: Illinois Association of Healthcare Attorneys

Sheppard Mullin Partner Jonathan Meyer will be speaking during Session 2 of the 2017 Annual Health Law Symposium. The IAHA Annual Health Law Symposium is the premier health law program in Illinois, offering a full day of hot topics and nationally recognized speakers

Topic: FISMA, FAR, NIST, and HIPAA Requirements that Healthcare Providers Need to Know When Working with the Federal Government

Description: The Patient Protection and Affordable Care Act (ACA) had a significant impact on the U.S. health care system, and helped develop – or accelerate – many current health care regulatory trends, such as the ongoing transition to value-based care. These trends will be examined from the unique perspective of each segment of the health care industry, including payors, providers, pharmaceutical and medical device companies, and health information technology companies.
