

Trends in Intellectual Property - Keep Up or Get Left Behind

01.18.2018

Intellectual property law is ever evolving in the United States. Korean companies doing business in the United States must therefore stay on top of the latest changes to avoid disputes and financial penalties as well as unnecessary license royalties. IP laws can also be used strategically to further a company's goals.

Please join Sheppard Mullin and Lee & Ko for a cutting-edge discussion on “**Trends in Intellectual Property – Keep Up or Get Left Behind**” in view of key IP law developments in the United States. Topics and speakers include:

- **Standard Essential Patent Litigation and FRAND Licenses: A Case Study of TCL v. Ericsson.**
Speaker: Steve Korniczky, Partner, Sheppard Mullin
- **How to Challenge and Get Out of Unfair or Unlawful Patent Licenses.**
