Legal Issues with Serious Games

George Mason University, Manassas VA

07.12.2018

The Serious Play Conference, now in its 8th year, is a leadership conference for professionals who embrace the idea that games can revolutionize learning. Speakers, who come from all parts of the globe, share their experience creating or using games in corporate environments, classrooms, healthcare institutions, governments and militaries and offer tips on how to move game-based education programs ahead.

At Serious Play, attendees listen, share, and participate actively in informal

Sheppard Mullin partner Jim Gatto will present the topic, "Don't Play with the Law - Legal Issues with Serious Games."
