

CyberStorm: Depth of the Threat

Cybersecurity Conference

10.11.2018

Location:

Schimmel Center
Pace University
One Pace Plaza
New York, NY 10038

Speaker:

Kari Rollins will be a speaker at this event.

About:

This year's conference will offer network-rich opportunities and industry-driven insights from top names in cybersecurity, with a focus on the "Depth of the Threat."

Notable Keynotes include former Secretary of Homeland Security Jeh Johnson and NYS Commissioner for Homeland Security and Emergency Services Roger Parrino, who will be speaking about Election Security - a timely topic!

Panels include high-profile leaders in diverse fields and Pace faculty whose research means asking big questions such as: what are the biggest threats facing digital security today? What new techniques can be used to protect vulnerable data? And how will hacking methods change in the coming years and what can we do to pre-empt them?
