Dave Twinning

Co-Founder & COO

Planck Aerosystems

Phil Mengden

Technical Sales Manager Advanced Products

Swift Engineering

The global Blue Economy is enormous and growing rapidly. There are many important linkages with aerospace and defense, particularly related to new technologies as we move from thousands of years of “Sea Blindness” to always-on “Sea Vision”. This panel will provide insight into the Blue Economy and BlueTech internationally and regionally, and follow with three innovative, Southern California BlueTech companies at the intersection of the

Blue Economy and Aerospace & Defense.

Industries

Aerospace, Defense & Government Services
