The **Hammer Museum** champions the art and artists who challenge us to see the world in a new light, to experience the unexpected, to ignite our imaginations, and inspire change.

Audrey at the Hammer blends elevated and soulful cooking with a contemporary Southern California feel rooted in the region's growing seasons. From restaurateur Soa Davies Forrest and chef Lisa Giffen, the dishes emphasize European flavors and techniques. The modern and inclusive space designed by architect Michael Maltzan and interiors by Fettle Design features a prominent tile installation from renowned Cuban-American artist Jorge Pardo.
