

Cannabis Webinar Wednesday: Getting Your CBD/Hemp Product To Market- Current Issues in Risk Management

02.19.2020

How do companies navigate current state requirements and federal expectations when launching a hemp-based product? Best practices for hemp-CBD product development, sourcing, manufacturing, labeling and retailing have evolved, as have state regulations. This webinar will cover: (1) USDA's Interim Final Rule and its impact on hemp supply chain management; (2) recent FDA enforcement; (3) a deep dive on tensions between federal and state law; (4) the rise in consumer litigation involving CBD products; and (5) suggested best practices. Join us to learn how to navigate this complicated regulatory environment.
