PPP Loan Forgiveness – We accepted the PPP Cash, please forgive us. Roundtable on PPP Loan Forgiveness Process Tips and Tactics. C suite only.

The current amnesty period has passed to return Paycheck Protection Program (PPP) loans funded under the CARES Act. Now, the time to apply for forgiveness of the PPP loan is approaching as rapidly as the related guidance is changing. David Douglass, Victor Ramsauer and Kandace Watson will share their insights on the PPP loan forgiveness application, documentation, records and retention, as well as provide an overview of the emerging U.S. federal government oversight, enforcement and other accountability efforts. A roundtable discussion will be encouraged to also look ahead to the future oversight and enforcement landscape and risk mitigation strategies.
