

Cybersecurity Landscape Updates

The Coalition For Government Procurement Webinar

07.30.2020

When:

12:00 p.m. – 1:00 p.m. EST

Sheppard Mullin Speakers:

Townsend Bourne, Partner

Nikole Snyder, Associate

About:

The cybersecurity landscape for federal contractors is constantly changing. This Summer Lunch and Learn webinar with Sheppard Mullin attorneys, **Townsend Bourne** and **Nikole Snyder**, will cover recent developments as well as key regulations and standards relating to data security and management of the federal supply chain. Topics will include:

- DoD's Cybersecurity Maturity Model Certification (CMMC) program
- FAR and DFARS provisions
- DHS, GSA, and other agency initiatives
- Data security and the cloud
- Efforts to combat foreign adversaries
- Best practices for compliance and implementation of an effective System Security Plan
