Dispensaries collect massive amounts of consumer data that is regulated and protected by state laws. Join us for an engaging and informative discussion with cyber attorneys from Sheppard Mullin. Justine and Jessica will explain critically important changes to the US privacy landscape, including the California Privacy Rights Act, enforcement actions, the California Privacy Protection Agency, and emerging state laws (Virginia, Washington, Minnesota, and New York). Learn what growers and dispensaries must know about evolving privacy laws and how to cultivate your own privacy program in light of quickly evolving laws and regulations.
