

Blockchain and Entertainment Webinar Series - Blockchain and Music

Part 3 of 3

Webinar

04.22.2021

Sheppard Mullin, a leader in both blockchain and entertainment law, is hosting a 3 part webinar covering the overlap of these areas. Please join us for the third and final installment on April 22, 2021 for a discussion on the top trends and legal issues in Blockchain and Music. Topics to be discussed include:

- Overview of blockchain and music
- Developments with tokenized music in 2020
- Why to expect rapid market growth in 2021
- Other trends and business issues with blockchain music
- Legal issues with blockchain music - regulatory issues (e.g., AML and securities law), IP issues including copyright issues, patents and terms of service.
