

Beware The New Patent Trolls - Strategies For Handling and Avoiding False Patent Marking Claims after Forest Group v. Bon Tool

ABA Section of Litigation - Intellectual Property Roundtable Discussion

05.18.2010

The Co-Chairs of the Intellectual Property Litigation Committee of the American Bar Association Section of Litigation invite you to participate in one of the Committee's most popular programs- the Roundtables. These gatherings are informal opportunities for participants to meet in small groups at convenient locations to discuss current issues in intellectual property litigation.

May's topic is:

Beware The New Patent Trolls - Strategies For Handling and Avoiding False Patent Marking Claims after Forest Group v. Bon Tool

Moderated by: Paul Garrity, partner.

12:30 p.m. Lunch will be served.
