10 Mistakes to Avoid When Conducting a Negotiation With an American Partner

San Francisco Office

02.01.2012

The French American Chamber of Commerce San Francisco and German American Business Association are pleased to announce the launch of the Booster Series.

A series of bootcamps focused on the American/Californian business environment mixed with coaching sessions and pitching exercises. The booster series will feature regular workshops on technical issues to help entrepreneurs more effectively navigate the American Business landscape.
