

Basics of IP Commercialization & Licensing

Third Thursday Emerging Company Webinar Series

via WebEx

06.20.2013

12:00 p.m. - 1:00 p.m. (PDT)

Licensing plays a critical role in the operations of technology and life sciences companies, it is important for entrepreneurs to understand the basic mechanics of licensing and the strategies implemented through license agreements. This program will cover licensing basics and related issues of interest to technology and life sciences companies.

Please join Sheppard Mullin for our monthly Third Thursday Emerging Company Webinar Series educating entrepreneurs and emerging companies on the key legal issues they face during the growth of their companies. These complimentary 1-hour webinars are held through WebEx on the third Thursday of the month at noon. They will have both an audio and PowerPoint component.
