

Conducting the Investigation

PLI's Internal Investigations 2015

New York, NY

06.25.2015

At this unique program, an expert faculty will use an accounting fraud scenario with a graphic novel presentation to review the fundamentals of conducting an effective and efficient investigation, as well as touch on the many more nuanced and practical issues arising today. Leave the program with a better understanding of how to handle investigations successfully for your clients or company.

Sheppard Mullin Partner MaryJeanette Dee will be speaking along with many other esteemed panelists.
