09.09.2005

Del Mar Heights white collar defense associate Elizabeth Balfour has been ranked as one of "the region's young business and civic leaders" by the editors of the *San Diego Metropolitan* in the September issue. The monthly business publication named Balfour, a Harvard-trained corporate securities attorney, to its annual "40 Under Forty" list. Additionally, the profile featured Balfour's community service, including work as co-chair of the San Diego County Bar Association's Children at Risk Committee, involvement on a task force that sponsors the annual Women's Resource Fair, and efforts as part of the advisory board of Genesis Expeditions.
