

Eric Klein Named a Top Health Care Lawyer by The Daily Journal

Daily Journal
04.27.2020

Eric Klein, leader of Sheppard Mullin's 165-attorney national Healthcare practice, was honored as one of the "Top Health Care Lawyers" of 2020 by the *Daily Journal*. This list honors leading California lawyers who specialize in health care litigation, transactions, and counselling.

Eric's accomplishments, including representing private equity firm Welsh, Carson, Anderson & Stowe in a \$600 million joint venture with Humana Inc. to develop primary care centers to treat seniors insured by Medicare Advantage plans, were profiled in the feature article.

The list was compiled from hundreds of nominations submitted by lawyers statewide, with the honorees selected by editors based on the impact of their work.
