Sheppard Mullin’s Los Angeles and Century City offices were named among Los Angeles’ “Most Admired Law Firms To Work For” by the *Los Angeles Business Journal*. Among the reasons the firm made the annual list was its new “Everyday Wellness” program that ensures that the firm “supports the physical, mental and overall wellbeing of its partners, employees and their extended families beyond traditional ‘benefits’”.

According to the *Los Angeles Business Journal*, the law firms selected for inclusion on the list “were reviewed by the editorial department and chosen based on a demonstration of impact made on the profession and LA community as well as programs and initiatives that benefit staff.”
