

Sheppard Mullin Attorneys Recognized by LMG Life Sciences

LMG Life Sciences

10.04.2021

The 2021/2022 edition of *LMG Life Sciences* ranked Sheppard Mullin partners as leading Life Sciences Lawyers:

- Allison Fulton, Regulatory (FDA: Pharmaceutical; and FDA: Medical Device)
- Jing Liu, Intellectual Property (Patent Prosecution)
- Lorna Tanner, Intellectual Property (Patent Strategy & Management); and Patent Strategy Attorney of the Year - California
- Daniel Yannuzzi, Intellectual Property (Patent Prosecution; Patent Strategy & Management; and General Patent Litigation)

Presented by the research arm of Euromoney's Legal Media Group, the annual *LMG Life Sciences* guide serves as a comprehensive breakdown of life sciences industry leaders on both the firm and attorney level that specialize in corporate, regulatory, litigation and intellectual property matters. Rankings are derived from cumulative market insights and developments collected through a careful research process, which includes in-depth practice information provided by firms, hundreds of interviews conducted by researchers, and detailed client feedback.
