Anahita (Ana) Anvari is an associate in the Corporate Practice Group in the firm's Century City office and is a member of the firm's healthcare practice team.

Areas of Practice

Ana represents clients in the health care industry through business and transactional matters, including mergers & acquisitions and corporate governance. She advises clients on regulatory compliance under federal and state law, including licensure and fraud and abuse compliance. She also guides clients through health privacy issues, including HIPAA.

Prior to joining Sheppard Mullin, Ana worked as an associate in the healthcare group of the Philadelphia office of a large law firm. Prior to law school, she worked in operations at both the provider and payor level.
