Daniel Knudsen is an associate in the Real Estate, Energy, Land Use & Environmental Practice Group and a member of the Energy, Infrastructure and Project Finance Team in the firm's San Diego (Del Mar) office.

Areas of Practice

Daniel's practice focuses on renewable energy and infrastructure project finance, especially of wind, solar and transportation projects. He represents lenders and sponsors at all stages of project development, from offtake agreements and procurement and construction contracts to debt and tax equity financing. Daniel also advises clients in the buying and selling of project portfolios and development assets.

In addition to his energy and infrastructure practice, Daniel represents pro bono clients in immigration, housing, conservation and carbon finance matters.
