Farha Moiduddin is a partner in the Corporate Practice Group in the firm's Silicon Valley and San Diego (Del Mar) offices.

Areas of Practice

Farha has extensive experience in general corporate transactional matters. She works with companies through all stages of their lifecycle and venture capital funds in their negotiation, structuring and maintenance of portfolio company investments. Farha also represents clients in complex merger and acquisition transactions. She routinely advises clients in both acquisitions and dispositions of companies and lines of business. Farha represents clients in a broad range of industries, including software, fintech, internet games/social media, eCommerce and healthcare. Farha is also a member of the firm's blockchain and digital asset team and emerging growth/venture capital teams.
