

GSA Schedule Handbook

John W. Chierichella and Jonathan S. Aronie

Thomson West

Co-Authored (2008-2023)

GSA Schedule Handbook is designed to serve as a road map to the government procurement vehicle GSA Schedule. *GSA Schedule Handbook* provides guidance regarding schedule contracting to a range of parties, including counsel. It also assists parties in becoming an approved supplier under a U.S. General Services Administration (GSA) Schedule.

Jonathan Aronie and John Chierichella have authored 15 editions of the GSA Schedule Handbook from 2008-2023, with Ryan Roberts as a special contributor since 2022.
