Are you a privacy professional looking for an in-house career? Are you an employer looking to share potential opportunities with the industry? At Sheppard Mullin, we know how hard it is for companies to find skilled privacy professionals in this competitive marketplace.

According to a global study from Enterprise Strategy Group and Information Systems Security Association, the cybersecurity skills crisis is resulting in unfulfilled job requisitions, among other things. As part of Sheppard Mullin's ongoing commitment to the privacy and cybersecurity industry, we are pleased to maintain this job board of in-house privacy openings.

Other innovative efforts from Sheppard Mullin in the privacy and cybersecurity space include our Privacy and Cybersecurity Fellowship ([learn more here](#)).

US Privacy Counsel, CIBC (Chicago, IL)

The US Privacy Counsel will serve as a privacy subject matter expert (SME) within CIBC's US Privacy Office, which is part of CIBC's US Legal Department and CIBC's Global Privacy Office. This SME will be responsible for leading and contributing to a variety of important financial privacy matters. This may include, for instance, interpreting and applying financial privacy laws, regulations, and guidance; investigating and responding to privacy incidents; identifying emerging privacy risks and trends; monitoring and tracking legislative and regulatory changes and implementing compliance with them; maintaining and reporting metrics; creating and conducting privacy training; and fostering a culture of Privacy by Design and privacy compliance throughout CIBC's US Region.

The US Privacy Counsel will be expected to take initiative to identify needs and opportunities for US Privacy involvement and to lead teams and workstreams, as well as to perform work at the direction of the US Chief Privacy Officer and other senior leaders. The US Privacy Office operates in an extremely collaborative and collegial environment where all members are encouraged and expected to actively contribute and to grow in their careers.
