

CAPG Annual Conference 2016: Sharing the Lessons of Innovative Payment Models

Manchester Grand Hyatt, San Diego
Spring 2016

June 16-19, 2016

Featuring speaker Eric Klein, Partner, Sheppard Mullin

As of 2015, taking risk is no longer just an option. The Medicare Access and CHIP Reauthorization Act-MACRA is effectively making risk mandatory for physician groups that want to stay in the game.

And where Medicare goes, commercial payers will follow. At our Annual Conference, you'll not only learn about MACRA, APMs, and MIPS, you'll also become better prepared for risk arrangements with all payers, including commercial and Medicaid.

Gain hands-on knowledge and best practices from physician organizations with successful track records in value-based care delivery, along with the big-picture view from policymakers bringing change to our healthcare system.
