Join Sheppard Mullin and Georgetown Law CLE for a discussion on one of the biggest concerns facing the hotel and lodging industry - cybersecurity. The presentation will address the following:

- The law: Examination of recent decisions and opinions affecting hotels and resorts
- Cybersecurity liability and risk: The formula you'll need
- Who cares?: PCI DSS Standards and State breach Notification laws
- How to prepare for the worst: Best practices for preparedness and response

Speakers:

Laura Jehl, *Co-Leader of Privacy and Data Security Practice*, Sheppard Mullin

Alex Major, *Associate in the Government Contracts, Investigations & International Trade Practice Group*, Sheppard Mullin
