10.13.2016

The Women Lawyers Group of Sheppard, Mullin, Richter & Hampton LLP annual women's event

A guided tour of The Broad Collection followed by delicious food, drinks and conversation at Otium

By invitation only.

The Broad (pronounced "brode") is a new contemporary art museum founded by philanthropists Eli and Edythe Broad on Grand Avenue in downtown Los Angeles.

"From its downtown yet off-the-path location, to the tension between its exhilarating raw space and the need to fill that space with art, The Broad should keep Los Angeles talking." - Vanity Fair

Otium is a contemporary restaurant that draws from the rich culinary heritage of Chef Timothy Hollingsworth. It strips away the rigid formalities of dining while focusing on the quality of food, warm service, and relaxed casual ambience, paralleling the true essence of its name.
