One of the priorities of the incoming Obama administration will be passage of the Employee Free Choice Act (“EFCA”). The EFCA is a revolutionary change to this country’s labor laws and will have a profound impact on all employers. Our seminars will cover what employers should be doing now to be prepared in the event the EFCA becomes law. In addition, we will discuss:

- Elimination of Secret Ballot Elections
- Binding Arbitration Could Determine Terms and Conditions of Employment
- Increased Penalties for Unfair Labor Practice
