

Been Around the Block-Chain: Exploring the Legal Impact of Digital Currency, NFTs, and the Metaverse

06.28.2022

Join renowned leaders in the legal industry to explore all aspects of digital currency, and the cutting-edge legal developments surrounding this rapidly evolving technology.

Speakers explore the intersection of the law and blockchain, cryptocurrency, the Metaverse, and NFTs to ensure you gain the insight you need to tackle the diverse legal issues currently impacting your clients and the legal profession.

Jim Gatto, *Partner*, Sheppard Mullin, is the Keynote Speaker and will present on the *Why Blockchain, NFTS, and Metaverses Will Be More Impactful Than the Internet and the Legal Issues That Will Ensur* panel.
