

Association of Corporate Counsel NCR Non-Compete Updates

09.21.2022

12:30 PM - 2:00 PM

With non-compete litigation at an all-time high, increasing hostility from state legislatures, and the Biden Administration's latest pledge to curtail what it believes are "unfair" limits on worker mobility, it may be time to reexamine your employment agreements and policies.

Please join us as we walk through the changing legal landscape and help you implement "best practices" and avoid "pitfalls" in drafting and enforcing non-competes and other restrictive covenants.

Speakers:

- Denise Giraud, Sheppard Mullin
- Mikela Sutrina, Sheppard Mullin
- Gabrielle Chavez, Counsel at Consumer Technology Association
