

Artificial Intelligence Masters™ 2023

April 3 - 7, 2023

Join us April 3-7, 2023, for the broadcast of **Artificial Intelligence Masters™ 2023 – a part of the IPWatchdog Masters™ series**. This high-level, interactive, limited enrollment program was held in person at IPWatchdog Studios, in Ashburn, Virginia, March 7-8, 2023. The discussions were led by top thought leaders in the industry and covered specific technical areas including artificial intelligence (AI), machine learning (ML), blockchain and fintech, how to protect these innovations, how to license these innovations and the numerous other legal issues presented by their use and implementation, including the protection of data and software itself as a trade secret.
