By Invitation Only

Land Use Roundtable

An informative session featuring guest speaker Shari B. Libicki

How will new Bay Area Air Quality Management District rules affect your projects? Please join us for lunch and a lively discussion with Shari Libicki of ENVIRON Holdings.

When:

Tuesday, March 16

11:45 a.m. - 12:00 p.m. - Registration & Networking

12:00 p.m. - 1:00 p.m. - Roundtable Q&A and Lunch

Where:

Sheppard Mullin

4 Embarcadero Center, 17th Floor

San Francisco, CA 94111

Speaker:

Shari B. Libicki, Ph.D., Global Air Quality Practice Area Leader at ENVIRON Holdings, Inc., specializes in air quality and greenhouse gas management, including, air pathway risk assessment, air quality compliance and permitting negotiations, and the development of greenhouse gas management strategies under CEQA. She is experienced in using chemical engineering models to estimate greenhouse gas and chemical emissions, and advises industries and developers on compliance with emerging greenhouse gas regulations, including California's AB 32. Dr. Libicki served on the SB 375 RTAC committee, and is on the faculty of Stanford University's Chemical Engineering Department.
