

The Coalition for Government Procurement 2013 Spring Training Conference

Continuing the Dialogue: Strategic Acquisition- An Opportunity for Federal Efficiency and Commercial Business

Crystal Gateway Marriott, Arlington, VA

04.17.2013

Please join Sheppard Mullin partner **Jonathan S. Aronie** at the Spring Training Conference for his panel "Recent Development in Case Law and Regulation: Positioning Your Company for New Opportunities."

At the conference, attendees will engage in a government-industry "Myth-busters" dialogue with acquisition leadership from the Department of Defense, Department of Veterans Affairs, General Services Administration and others about key procurement issues that impact members' government business. The focus on "strategic acquisition" at this year's conference is in response to increased interest in federal strategic sourcing. Strategic Acquisition can both improve the efficiency of government and provide an opportunity for businesses to offer innovative solutions.
