

Employee Background Checks in the Global Workplace

Webinar

11.19.2013

1:00 p.m. - 2:00 p.m. (CST)

International Background Checks in the Global Workplace

This 60 minute webinar will help multi-national employers better understand the complex rules and laws covering employee background checks around the world. The program will begin with a global overview and then, focus on some of the more difficult jurisdictions, including Mexico, China, India, Puerto Rico, Australia, and the United Kingdom. The program will conclude by providing a list of best practices for employers to implement. Aurico's guest speaker, Brian Arbetter, is a partner at one of the world's leading law firms, Sheppard Mullin, and has approximately 25 years of experience advising global employers.
