Adam Streisand has been named among the Daily Journal's Top 100 for 2018. Described as a "champion trust and estate litigator," Streisand has secured victories for numerous celebrity estates, including those of Ray Charles, Marlon Brando, Alan Thicke and Barry White. Commenting on his relationships with his clients, he said, "The depth of their gratitude overwhelms me. What I hear over and over is that I was the voice they didn't have in them to tell their story in a way they never could in the most difficult and trying times in their lives, and I become to important to them in their lives when I just think I was doing my job." This is the fourth time Streisand has made this prestigious list.
