Lexology has named Sheppard Mullin partner and Business Trial practice group leader Rob Friedman among the winners of its 2020 Client Choice Awards for excellence in client service. Rob is the only lawyer to receive this honor in the Litigation category for the state of New York.

Established in 2005, the Client Choice Awards recognize lawyers who “stand apart for the excellent client care they provide and the quality of their service.” To be honored as a Client Choice winner, lawyers must be nominated by corporate counsel. The criteria focuses on an ability to add real value to clients’ business above and beyond the other players in the market, such as the quality of legal advice, commercial awareness, industry knowledge, strategic thinking and value, among others.
