

Cybersecurity Docket Names Liisa Thomas and Kari Rollins to 2021 “Incident Response 40”

Cybersecurity Docket
04.09.2021

Sheppard Mullin Privacy and Cybersecurity Team leader Liisa Thomas and New York office managing partner Kari Rollins have been named to *Cybersecurity Docket’s* 2021 “Incident Response 40” list. This is the fourth appearance on this list for both partners.

The list recognizes the best and brightest data breach response lawyers in the business – 40 true leaders in this field who are setting the standard and helping companies worldwide work through the complicated, high-stakes matters associated with data security incidents and digital risk management.
