

Sheppard Mullin Represents UrgentMED in Sale to Quilvest Capital

12.08.2021

Sheppard, Mullin, Richter & Hampton LLP represented the UrgentMED group companies, an independent network of 35 urgent care clinics in Southern California, in the sale of their equity to Quilvest Capital partners, a global investment firm with more than \$16 billion of assets under management. The acquisition included a significant rollover by the founding doctors of UrgentMED and provides the necessary capital to continue to grow the network of urgent care clinics in California and beyond.

The Sheppard Mullin team was led by partners Larry Braun and Aytan Dahukey and included associates Rambod Peykar and Melissa Gertler.
