

Stakeholders Should Not Miss Congress's Invitation for Feedback on Patent Eligibility

Siraj Husain

Law.com

10.07.2021

In an article for Law.com, partner Siraj Husain encourages companies in the AI industry and other stakeholders to share their views with Congress on the potential evolution of U.S. patent law to accommodate and encourage technologies that will drive the Fourth Industrial Revolution. The USPTO's extended deadline for submitting comments on patent eligibility jurisprudence is October 15, 2021.
