

California Antitrust and Unfair Competition Book

05.28.2003

This book is a valuable resource for corporate counsel and contains a practical analysis of the scope and nature of the Cartwright Act, the Unfair Practices Act, and the Unfair Competition Law, Bus. & Prof. Code 17200 et seq. It deals with pricing and distribution restraints, exclusive dealing and tying, government and private enforcement of these laws, the scope of conduct covered by the unlawful, unfair or fraudulent prongs of Section 17200, and the types of monetary relief available under that law.
